	27275 Red Leaf Lane
17311 Sunnybrook	27285 Red Leaf Lane
	27442 Red Leaf Lane
17322 Cambridge	27626 Red Leaf Lane
	27727 Red Leaf Lane
17340 San Quentin	

We have posted photos of the chosen homes on the website (www.cambridgevillageassociation.org) but with no identifying information.

Judges came from the board, the subdivision, and from the outside. Special thanks to our guest judges who supplemented board member judges: Jackie Crouch and Faith, Deborah, and Elise.

At the June Board meeting, it was proposed that we consider moving the date of judging from late August to the second half of June. It may be easier to attract guest judges since many are on vacation in August. It makes sense so we are looking to do the 2018 judging in June.

The Falling Leaves

Not just a song, but a reality. New residents need to be aware that all leaves need to be removed from the street, and raked into paper bags or plastic bins. Or, just mulch the leaves with the lawnmower. The last day of leaf and other yard waste pickup is Nov. 29, although in some years this might be extended to Dec. 6. But don't take a chance. Leaves left in the street gutter cause flooding and general misery throughout the winter.

Hazardous Waste Day

Sat. Oct. 21, from 9am-3pm, at the RRRSOC center on 8 Mile Rd. east of Lahser, enter on Mapleridge. This is the last one of the year for any of the locations in our region.

Vote November 7

CV votes at Thompson School on Lincoln/I-696. All of the city positions are up this year (mayor, city clerk, treasurer, and four positions on the city council) so it is important to do your research and vote. The non-partisan League of Women Voters of Oakland County has a helpful voter's guide (http://www.lwvoa.org/voter_guides.html). There was a candidates' night on Oct. 3, so look for a recording of that on cable channel 15; it is always revealing to hear candidates as well as read about them.

The Holidays are Upon Us

They are coming. (Just drive through Berkley: they are already here!) The plan this year is to deliver the annual holiday luminarias between Dec. 16-20 (Sat.-Wed.). We are seeking volunteers to help deliver on any of those days. It is important that we know in advance if you can help, as we need to construct routes, which is a very complicated process.

You can deliver a small amount like one block, or work in teams with others and do more...what works for you will be fine. Please let any board member know if you are interested in helping with this favorite subdivision activity.
